1. Coverage

Eligible employees may select from the health plans offered for the applicable plan year. Coverage and cost-sharing vary by plan.

2. Enrollment

Employees generally enroll during their initial eligibility window or annual open enrollment. Qualifying life events may create a special enrollment opportunity.

3. Dependents

Eligible dependents may include a spouse and qualifying children, subject to plan rules and documentation requirements.

4. Privacy

Personal health information must be handled according to applicable privacy requirements. This policy does not authorize access to individual medical records.

5. Plan Authority

Carrier contracts and official plan documents control in the event of a conflict with this summary.
