1. Purpose

This policy defines paid time off (PTO) eligibility, accrual, use, and carryover requirements for eligible employees of Acme Financial Services.

2. Eligibility

Regular full-time employees are eligible to accrue PTO. Eligibility for specific leave categories may vary by employment status and applicable law.

3. PTO Accrual

Eligible employees accrue PTO each pay period according to their employment tenure and applicable plan. The employee self-service system is the system of record for an employee's available balance.

4. PTO Carryover

Employees may carry over up to 10 unused PTO days from one calendar year into the next. Any unused balance above the permitted carryover limit is forfeited unless a legal or company-approved exception applies.

5. Requesting PTO

Employees should submit PTO requests through the employee self-service system at least five business days before planned time off when practicable. Manager approval is required before planned PTO is taken.

6. Holidays and Leave

Company holidays and approved statutory or protected leave are administered separately from PTO and are not deducted from an employee's PTO balance.

7. Policy Administration

Human Resources owns this policy. The current approved version supersedes prior versions. Retired versions are retained for historical reference and should not be used to determine current employee entitlements.
